

NON-SPARKING SCRAPERS

EGA Master non-sparking scrapers are specially designed for being used in explosive environments.

1. Ideal for basic cleaning and scraping of surfaces in explosive environments.

2. Available different models and sizes according to the work to be done; flat, arched, triangular...

3. The hardness is 283-365 Brinell (Cu-Be) and 229-291 Brinell (Al-Bron).

SCRAPERS
