

NON-SPARKING FILES

The EGA Master non-sparking tools are the best alternative for applications in potentially explosive environments.

EGA Master non-sparking files are ideal for cutting applications in potentially explosive environments, such as oil rigs, petrochemical plants, shipbuilding, etc.

Easy to use!

1. All tools have a hardness of 311-408 Brinell (Cu-Be).

2. Ergonomic handle for superior grip and maximum safety.

■ HAND FILE

COD.	MAT.		L (mm)	A (mm)	B (mm)	
71607	Cu-Be	MEDIUM	200	20	6	350
71608			300	31	8	750

Cu-Be Beryllium copper
