

NON-SPARKING PINCERS

EGA Master's non-sparking tools are the best alternative for use in explosive potential environments. All tools are forged after casting to achieve the highest quality in the tool market, featuring an attractive finish.

1. Extraordinary grip, ensures a firm hold on various materials with just one hand.

2. Smooth movement between positions and easy opening.

3. With a hardness of 311-408 Brinell (Cu-Be) and 241-311 Brinell (Al-Bron).

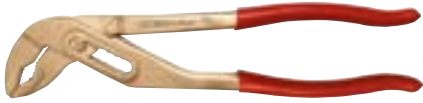

4. Ergonomic and non-slip handle.
