

# CHAIN PIPE WRENCHES

EGA Master's Non-Sparking Tools are **the best alternative for applications in potentially explosive environments.**

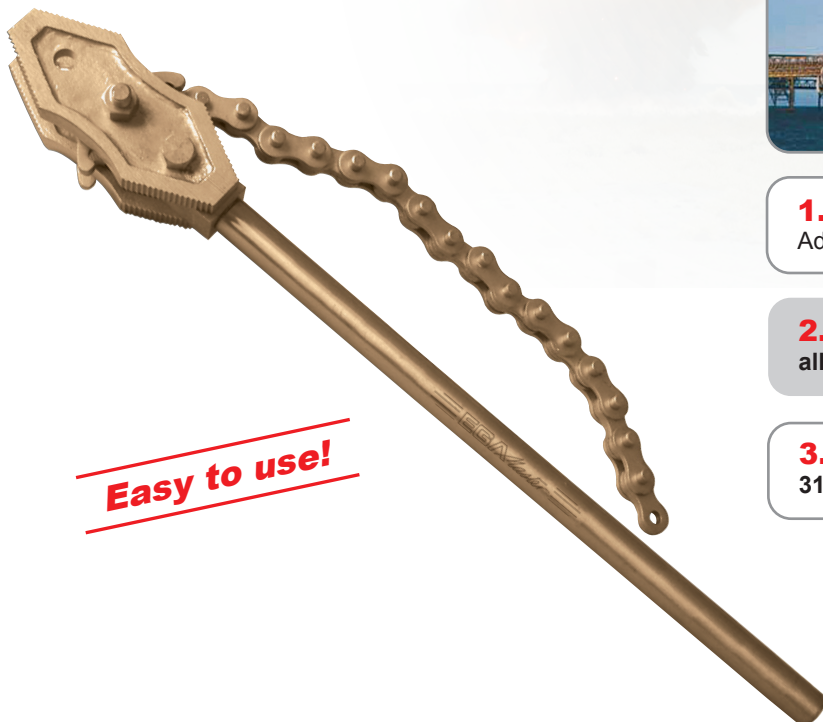

The non-sparking chain pipe wrench from EGA Master is a useful tool for gripping or dismantling large metal pipes, pipe fittings, or other cylindrical pieces in hazardous environments.

**1. Capable of handling pipes up to 12" in diameter.** Adaptable to any shape for the most demanding industries.

**2. Ideal for use in confined spaces. The dual-grip system allows for quick and effective action in any direction.**

**3. With a hardness of 311-408 Brinell (Cu-Be) and 241-311 Brinell (Al-Bron).**

**Easy to use!**
